TIMING LIMITATION STIPULATION

No surface use is allowed within one-half mile of waterfowl production and molting areas during the following time period:

April 1 through August 31

This stipulation does not apply to the operation and maintenance of production facilities.

On the lands described below:

For the purpose of:

Protection of waterfowl production and molting areas from disturbance and facilitate long-term maintenance of waterfowl populations.

Any changes to this stipulation will be made in accordance with the land use plan and/or the regulatory provisions for such changes.

Exception: An exception to this stipulation may be granted by the authorized officer if the operator submits a plan that demonstrates that impacts from the proposed action are minimal or can be adequately mitigated.

Modification: The boundaries of the stipulated area may be modified if the authorized officer determines that portions of the area no longer provides for waterfowl production or molting. The dates for the timing restriction may be modified if new wildlife use information indicates that the dates are not valid for the leasehold.

Waiver: This stipulation may be waived if the authorized officer determines that the entire leasehold no longer provides waterfowl production or molting habitat.
